

Super Baby Sunday

Join us this Sunday, February 5th from Noon to 4pm to knit blankets for Avera. Valentine's Day is our goal to see how many blankets we can finish. We will offer 20% of our total sales beginning this Thursday and continuing through Sunday to go towards more yarn for blankets, or you can receive 20% off yarn purchased for a blanket. There is a need for 500 blankets.

Teams will be drawn and the team who finishes the most blankets by Feb. 14th will be entered in a drawing for prizes.

Knit your heart with an unslipping knot and help welcome those newborns with a special blanket of their own.

Bring munchies to share. Coffee and cider will be provided.

Thank you for participating in the Super Baby Knit together.

Sincerely,

Janna Milbradt
